

2024 IMPORTANT STATE TAX INFORMATION

The following information is provided to you to assist in the preparation of your 2024 state tax return. We strongly recommend that you contact your state or local tax office and/or your tax advisor concerning reporting requirements for your particular state.

State and local governments vary in their treatment of income derived from direct U.S. government obligations. The amount shown on the enclosed Form 1099-DIV labeled "ORDINARY DIVIDENDS" may include income that was derived from direct obligations of the United States government. Such income **may be** tax-exempt in your state. If so, multiply the income percentage by the amount labeled "ORDINARY DIVIDENDS" on the enclosed Form 1099-DIV to determine the amount of exempt dividends.
