

*Estimated Sources of Distributions – Section 19(a) Notice
Quarter ended September 30, 2017*

Carey Credit Income Fund 2016 T (“CCIF 2016 T”) has paid distributions to shareholders during the quarter ended September 30, 2017. This notice is provided pursuant to Section 19(a) of the Investment Company Act of 1940 and Rule 19(a) thereunder, which provide that any distribution in the nature of a dividend payment not made solely from net investment income and accumulated undistributed net income must be accompanied by a written statement adequately disclosing the sources of such distribution payment.

In accordance with generally accepted accounting principles (“GAAP”) the following table discloses the estimated sources of the distributions declared for the third quarter of 2017:

Estimated Sources of Distributions	Per Share Amount¹	% of Distribution
Net Investment Income	\$0.13274	84.2%
Distributions in Excess of Net Investment Income:	\$0.02495	15.8%
Total Distributions	\$0.15769	100.0%

1. Distributions paid to individual investors may differ depending on when the investor became a shareholder of record.

The sources of distributions are estimates and are not being provided for tax planning purposes. The timing and character of distributions for federal income tax purposes are determined in accordance with income tax regulations which may differ from GAAP. As such, all or a portion of this distribution may be reportable as taxable income. CCIF 2016 T will mail a Form 1099-DIV to shareholders in February 2018 that will report the allocation components of calendar year distributions for federal income tax reporting purposes.
