Carey Credit Income Fund Announces Change in Feeder Funds' Offering Prices

NEW YORK, September 14, 2016 -- W. P. Carey Inc. and Guggenheim Partners, LLC announced today that Carey Credit Income Fund 2016 T (CCIF 2016 T) and Carey Credit Income Fund – I (CCIF – I) adjusted their public offering prices from \$9.70 per share to \$9.75 per share and \$26.15 per share to \$26.30 per share, respectively. The adjustments were made due to an increase in CCIF 2016 T's and CCIF – I's net asset value (NAV) per share, which were \$9.17 and \$25.38, respectively, as of September 12, 2016. These increases in the public offering prices will be effective as of the CCIF 2016 T's and CCIF – I's September 15, 2016 weekly closing and will be first applied to subscriptions received from September 7, 2016 through September 13, 2016. These increases in public offering prices ensure that the NAV of each offering does not exceed the net offering price of the respective offering.

About Carey Credit Income Fund

Carey Credit Income Fund (CCIF) is a non-traded business development company (BDC) that seeks to invest primarily in large, privately-negotiated loans to private middle market U.S. companies, with a focus on senior secured debt investments. CCIF is advised by Carey Credit Advisors, LLC, an affiliate of W. P. Carey, as the advisor, and Guggenheim Partners Investment Management, LLC, an affiliate of Guggenheim Partners, as the sub-advisor. For more information, please visit www.careycredit.com.

About W. P. Carey Inc.

W. P. Carey is a leading publicly-traded global net lease REIT that provides long-term sale-leaseback and build-to-suit financing solutions for companies worldwide. At June 30, 2016, W. P. Carey had an enterprise value of approximately \$11.7 billion. In addition to its owned portfolio of diversified global real estate, W. P. Carey manages a series of non-traded publicly registered investment programs with assets under management of approximately \$11.7 billion. Its corporate finance-focused credit and real estate underwriting process is a constant that has been successfully leveraged across a wide variety of industries and property types. Furthermore, its portfolio of long-term leases with creditworthy tenants has an established history of generating stable cash flows, enabling it to deliver consistent and rising income to investors for over four decades. For more information, please visit www.wpcarey.com.

About Guggenheim Partners, LLC

Guggenheim Partners is a global investment and advisory firm with more than \$240 billion in assets under management as of June 30, 2016*. Across its three primary businesses of investment management, investment banking, and insurance services, it has a track record of delivering results through innovative solutions. Guggenheim's Corporate Credit team, which is comprised of over 100 dedicated investment professionals, has experience managing fixed-income portfolios, and manages a credit portfolio of more than \$66.5 billion as of June 30, 2016. Guggenheim's long-term investment focus combined with an emphasis on downside protection has made it the investment manager of choice for many insurance companies, public pensions, foundations, and high-net-worth investors.
