Cautionary Statement Concerning Forward-Looking Statements

This document contains forward-looking statements within the meaning of the Federal securities laws. These statements are not guarantees of future performance and are subject to risks, uncertainties and other factors, some of which are beyond our control, are difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements. CCIF, CCIF 2016 T and CCIF – I undertake no obligation to update any forward-looking statements contained herein to conform the statements to actual results or changes in their expectations. A number of factors may cause CCIF's, CCIF 2016 T's or CCIF – I's actual results, performance or achievement to differ materially from those anticipated. For further information on factors that could impact CCIF, CCIF 2016 T or CCIF – I performance, please review CCIF's, CCIF 2016 T's and CCIF – I's respective filings at the SEC website at www.sec.gov.

Certain Information About Distributions

Subject to and qualified in its entirety by the terms of the CCIF 2016 T and CCIF – I prospectuses, the annualized distribution rate displayed herein was calculated by dividing the annualized distributions by the current public offering price as of July 28, 2016. Regular cash distributions do not include declared special cash or share distributions, if any. The determination of the tax attributes of CCIF 2016 T's and CCIF – I's distributions are made annually as of the end of its fiscal year based upon its taxable income and distributions paid, in each case, for the full year. Therefore, a determination made on a monthly or quarterly basis may not be representative of the actual tax attributes of CCIF 2016 T's and CCIF – I's distributions for a full year. The actual tax characteristics of distributions to shareholders will be reported to shareholders annually on Form 1099-DIV. The payment of future distributions on common shares are subject to the discretion of the Boards of Trustees and applicable legal restrictions and, therefore, there can be no assurance as to the amount or timing of any such future distributions.

*Assets under management include consulting services for clients whose assets are valued at approximately \$56 billion.
