

Charges

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

One-off charges taken before or after you invest

| | |
|--------------|-------|
| Entry charge | 5.00% |
| Exit charge | 3.00% |

This is the maximum that might be taken out of your money before it is invested or before proceeds of your investments are paid out.

Charges taken from the Fund over a year

| | |
|----------------|-------|
| Ongoing charge | 0.82% |
|----------------|-------|

Charges taken from the Fund under certain specific conditions

| | |
|-----------------|------|
| Performance fee | None |
|-----------------|------|

The entry and exit charges shown are maximum figures, and in some cases you may pay less - consult your financial adviser for details.

The ongoing charge figure is based on expenses for the twelve month period. This figure may vary from year to year and excludes portfolio transaction costs. The Fund's annual report will include detail on the exact charges made.

More detailed information on charges can be found in the prospectus under the section entitled "Fees and Expenses".
